

MEETING 22

HOW MY OFFERING HELPS

Use a coin or pencil to trace the path your offering might take to help others around the world.

BIBLE STORY: The Widow Gave an Offering Luke 21:1-4

BIBLE VERSE: Bring an offering to church. Malachi 3:10

BIBLE TRUTH: People at church give money to help other learn about God and Jesus.

At HOME

Your child heard about a widow who gave all she had at church (Luke 21:1-4). Your child learned people at church give money to help others learn about God and Jesus. This week, talk with your child about the importance of giving money at church. This money helps others learn about Jesus. Send your child with an offering each week to help her learn the practice of giving to Jesus.

COMPLETE AND CIRCLE

The widow only gave two coins, but Jesus said she gave more than the rich people because she gave all she had. Circle the coin in the box that completes the pattern.

The widow gave all she had. How many coins do you see in the box? Circle the number of coins the widow gave.
